

## **Res. Asst. Cihat Mete**

### **Personal Information**

**Email:** cihatmete@yyu.edu.tr

**Web:** <https://avesis.yyu.edu.tr/cihatmete>

### **Published journal articles indexed by SCI, SSCI, and AHCI**

- I. Electrochemical Determination of Anti-Cancer Drug Dabrafenib with High Sensitivity Using Multi-Walled Carbon Nano Tubes Modified Glassy Carbon Electrode**  
Mete C., Talay Pınar P.  
ChemistrySelect, vol.9, no.23, 2024 (SCI-Expanded)

### **Articles Published in Other Journals**

- I. Development of a novel electrochemical method for the quantitative analysis of vandetanib in the presence of anionic surfactant utilizing a bare carbon paste electrode**  
Talay Pınar P., Mete C., Şentürk Z.  
Journal of Research in Pharmacy, vol.28, no.4, pp.1010-1021, 2024 (ESCI)
